

2. Venue is proper in this Court pursuant to 28 U.S.C. § 1391(b) because the property that is the subject of this action is located in the City of Hampton, Virginia.

3. Plaintiff Ronald W. Walden, Jr. (“Mr. Walden”) is a resident of the Commonwealth of Virginia.

4. Mr. Walden is a qualified individual with a disability as the term is defined by and within the meaning of the ADA. Mr. Walden is diagnosed with *osteogenesis imperfecta* and uses a wheelchair as his primary means of mobility.

5. Due to his disability, Plaintiff is substantially impaired in several major life activities and requires a wheelchair for mobility.

6. Upon information and belief, TODD SHOPPING CENTER, L.L.C (“TODD SHOPPING” or “Defendant,”) is a Virginia limited liability company and is the owner, lessor, and/or operator of the place of public accommodation including the real property and improvements which are the subject of this action (the “Property.”)

7. The Property is known as Todd Shopping Center; it is generally located at 1814 Todds Lane, Hampton, VA 23666.

8. The Defendant is registered to conduct business within the Commonwealth of Virginia through the Virginia State Corporation Commission and maintains a registered agent in this jurisdiction for the purpose of accepting service of process.

9. Defendant is responsible for complying with all applicable obligations of the ADA.

10. All events giving rise to this lawsuit occurred within the jurisdiction of the Eastern District of Virginia.

COUNT I
VIOLATION OF TITLE III OF THE ADA

11. The allegations set forth in the paragraphs above are incorporated by reference as if fully set forth in this count.

12. The Property is a place of public accommodation and is therefore subject to Title III of the ADA.

13. Mr. Walden visited the Property and in the near future plans to return to the Property.

14. During the visit, Mr. Walden experienced serious difficulty accessing the goods and utilizing the services on the Property due to the architectural barriers described in this Complaint and specifically in Paragraph 17.

15. Mr. Walden wants to visit the Property but continues to experience serious difficulty as the result of the barriers described below, all of which exist at the time of this filing.

16. Mr. Walden plans to and will visit the Property once the barriers described in Paragraph 17 and any other barriers have been removed.

17. Defendant discriminated and continues to discriminate against Plaintiff in violation of 42 U.S.C. §§ 12181, *et seq.*, and 28 C.F.R. §§ 36.302, *et seq.*, by excluding and/or denying Plaintiff the benefits of the goods and services located on the Property by failing to provide and/or correct the following barriers to access which Plaintiff personally observed, encountered, and which hindered his access:

- A. Plaintiff encountered and experienced inaccessible parking servicing Merchant's Tire due to lack of an access aisle;

- B. Plaintiff encountered and experienced inaccessible parking servicing Little Caesars and Advanced Auto Parts due to excessive slopes and improper placement of sewer grate in access aisle;
- C. Plaintiff encountered and experienced inaccessible curb ramps servicing Merchant's Tire, Grand Furniture, Office Max, and Big Lots due to excessive long slopes and excessively sloped side flares;
- D. Plaintiff encountered and experienced inaccessible entrances at Big Lots, Office Max, Northern Tools, Grand Furniture, and Little Caesars due to lack of level landings; and
- E. Plaintiff encountered an inaccessible counter at Merchant's Tire due to excessive height.

18. As of the date of this filing, the readily achievable barriers and other violations of the ADA exist. They have not been remedied or altered in such a way as to effectuate compliance with the applicable provisions of the ADA.

19. Independent of his intent to return to the Property as a patron, Plaintiff intends to return to the Property as an ADA tester to determine whether the barriers to access in this Complaint have been remedied.

20. Removal of the barriers to access located on the Property is readily achievable, reasonably feasible and easily accomplishable without placing an undue burden on the Defendant.

21. Removal of the barriers to access located on the Property will allow Plaintiff to fully utilize the goods and services located on the Property.

22. The Plaintiff was obligated to retain the undersigned counsel for filing and prosecution of this action. The provisions of 42 U.S.C. § 12205 entitle Plaintiff to seek from Defendant and receive payment for reasonable attorneys' fees, costs, and expenses of this action.

COUNT II STATE LAW CLAIM

23. Plaintiff re-alleges and incorporates into this cause of action each and every allegation contained in the previous paragraphs of this Complaint.

24. Defendant's Property is a place of public accommodation under *Code of Virginia*, § 51.5-44.

25. The architectural barriers and other accessibility barriers constitute an ongoing act of discrimination against the Plaintiff as a person with a disability in violation of *Code of Virginia*, § 51.5-44.

26. As a direct and proximate result of Defendant's intentional and negligent failure to remove barriers to access that exist on Defendant's property, Plaintiff was and continues to be denied access and his civil rights were and continue to be violated.

27. Consequently, Mr. Walden seeks monetary damages from Defendant pursuant to *Code of Virginia*, § 51.5-46 for the discrimination he experienced and continues to experience.
